2. George Carey telephoned to say that he had understood from [REDACTED] that at a recent meeting of the Operations Coordinating Board Mr. Herter had said that the Federal Bureau of Investigation had refused to accept any responsibility for delegations of various kinds who are sent to this country and that the Director had been asked whether or not we could do anything in this connection. I told George that this would take a lot of people and that furthermore it might be contrary to our charter. 25X1A9a 25X1X4

3. I reminded General Cabell of his promise to visit the [REDACTED] in order to determine whether or not there was any unnecessary duplication of [REDACTED] functions. He agreed to do this sometime soon. 25X1A6a 25X1A6b
